4. WHY WE SHARE SCHOOL WORKFORCE INFORMATION

We do not share information about workforce members with anyone without consent unless the law and our policies allow us to do so.

Department for Education (DfE)

We share personal data with the Department for Education (DfE) on a statutory basis. This data sharing underpins workforce policy monitoring, evaluation, and links to school funding / expenditure and the assessment educational attainment. We are required to share information about our workforce with the (DfE) under section 5 of the Education (Supply of Information about the School Workforce) (England) Regulations 2007 and amendments.

5. DATA COLLECTION REQUIREMENTS

The DfE collects and processes personal data relating to those employed by schools (including Multi Academy Trusts) and local authorities that work in state funded schools (including all maintained schools, all academies and free schools and all special schools including Pupil Referral Units and Alternative Provision). All state funded schools are required to make a census submission because it is a statutory return under sections 113 and 114 of the Education Act 2005

To find out more about the data collection requirements placed on us by the Department for Education including the data that we share with them, go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>.

The Department may share information about school employees with third parties who promote the education or well-being of children or the effective deployment of school staff in England by:

- conducting research or analysis
- producing statistics
- providing information, advice or guidance

The Department has robust processes in place to ensure that the confidentiality of personal data is maintained and there are stringent controls in place regarding access to it and its use. Decisions on whether DfE releases personal data to third parties are subject to a strict approval process and based on a detailed assessment of:

- who is requesting the data

- the purpose for which it is required
- the level and sensitivity of data requested; and
- the arrangements in place to securely store and handle the data

To be granted access to school workforce information, organisations must comply with its strict terms and conditions covering the confidentiality and handling of the data, security arrangements and retention and use of the data.
